General Instructions

What's New

Summary of Chapter 4 and Related Matter. Under chapter 4 of the Internal Revenue Code (Code) (sections 1471-1474 and Treasury Regulations (Regulations) under those sections, commonly referred to as the Foreign Account Tax Compliance Act or FATCA), a withholding agent is generally required to deduct and withhold tax equal to 30 percent of a withholdable payment made to a foreign financial institution (FFI) unless the FFI has entered into an FFI agreement with the IRS to be treated as a participating FFI (PFFI). Pursuant to the FFI agreement, a PFFI agrees to satisfy, among other things, certain reporting obligations for each calendar year concerning its U.S. accounts, accounts held by owner-documented FFIs (ODFFI), and certain aggregate information concerning accounts held by recalcitrant account holders and, for a transitional period, accounts held by nonparticipating FFIs. An FFI may also be excepted from chapter 4 withholding if it is deemed to comply with the provisions of section 1471(b). See Regulations sections 1.1471-5(f)(1) and 1.1471-6. Chapter 4 also requires a withholding agent to deduct and withhold tax equal to 30 percent of a withholdable payment made to a passive non-financial foreign entity (NFFE) unless the passive NFFE certifies to the withholding agent that it does not have any substantial U.S. owners or provides certain identifying information with respect to its substantial U.S. owners. A withholding agent is also required to report information about substantial U.S. owners of a passive NFFE and specified U.S. persons holding certain equity and debt interests in a payee that the withholding agent has agreed to treat as an ODFFI. The withholding and other requirements of chapter 4 begin on July 1, 2014.

To facilitate FATCA implementation for FFIs operating in jurisdictions with laws that would prevent the FFIs from complying with the terms of the FFI agreement, the Treasury Department developed two alternative model intergovernmental agreements (IGAs) (Model 1 IGA and Model 2 IGA) that would allow FFIs operating in such jurisdictions to perform due diligence and reporting on their account holders to achieve the objectives of FATCA. FFIs reporting under a Model 1 IGA (Reporting Model 1

FFIs) report certain information about their U.S. reportable accounts and certain payees as required under the applicable IGA to their respective tax authorities. Reporting Model 1 FFIs do not file Form 8966 directly to the IRS. FFIs reporting under a Model 2 IGA (Reporting Model 2 FFIs) report directly to the IRS on Form 8966 certain information about their U.S. accounts, accounts held by owner-documented FFIs (and Trustee-Documented Trusts), and certain aggregate information concerning account holders who do not waive legal restrictions for the FFI to report this information (non-consenting U.S. accounts), and, for a transitional period, accounts held by nonparticipating FFIs as required under the applicable IGA and the Regulations.

Purpose of Form

Form 8966 is required to be filed by filers listed under "Who Must File," later, to report information with respect to certain U.S. accounts, substantial U.S. owners of passive NFFEs, U.S. accounts held by owner-documented FFIs, and certain other accounts as applicable based on the filer's chapter 4 status. For calendar years 2015 and 2016, Form 8966 is also filed by PFFIs, Registered deemed-compliant (RDC) FFIs, and Reporting Model 2 FFIs to report certain amounts paid to their account holders that are nonparticipating FFIs. Unless otherwise indicated, Reporting Model 2 FFIs should submit Form 8966 to report on its accounts consistent with instructions for PFFIs.

Note. A separate Form 8966 must be filed for each substantial U.S. owner of a passive NFFE and each specified U.S. person owning certain equity or debt interests in an owner-documented FFI, and for each group of accounts for which pooled reporting is permitted as described in *Part V*.

Who Must File

Except as otherwise provided in these instructions, you are required to file Form 8966 if you are one of the following persons:

- **PFFI.** A PFFI must file Form 8966 to report information with respect to a U.S. account, account of an entity that it has agreed to treat as an owner-documented FFI, accounts held by recalcitrant account holders (based on the pools described in *Part V*), and accounts held by nonparticipating FFIs.
- **U.S. Branch of a PFFI Not Treated as a U.S. Person.** A U.S. branch of a PFFI that is not treated as a U.S. person is subject to the same Form 8966 reporting requirements as a PFFI. See Regulations section 1.1471-4(d)(2)(iii)(C).
- **RDC FFI.** An RDC FFI must file Form 8966 to report a U.S. account for which it has reporting obligations as a condition of its applicable RDC FFI status. See Regulations section 1.1471-5(f)(1)(i).

- **Limited Branch or Limited FFI.** A limited branch or limited FFI must file Form 8966 to report a U.S. account to the extent permitted under the relevant laws pertaining to the branch or FFI. See Regulations sections 1.1471-4(e)(2)(iv)(B) and (e)(3)(iii)(B).
- **Reporting Model 2 FFI.** A Reporting Model 2 FFI must file Form 8966 to report its U.S. accounts, accounts held by FFIs that it has agreed to treat as owner-documented FFIs (and Trustee-Documented Trusts), accounts held by non-consenting account holders, and accounts held by nonparticipating FFIs.
- **Qualified Intermediary (QI), Withholding Foreign Partnership (WP), or Withholding Foreign Trust (WT).** A QI, WP, or WT must file Form 8966 to report on its accounts, partners, and beneficiaries, as applicable and as provided in its QI, WP, or WT agreement.
- **Direct Reporting NFFE.** A Direct Reporting NFFE must file Form 8966 to report its substantial U.S. owners. See Regulations section 1.1472-1(c)(3).
- **Sponsoring Entity.** A Sponsoring Entity must file Form 8966 to report an account of an FFI that it has agreed to treat as a Sponsored FFI or a Sponsored Direct Reporting NFFE. See Regulations section 1.1471-4(d)(2)(ii)(C) regarding the reporting required of a Sponsoring Entity acting on behalf of a Sponsored FFI. See Regulations section 1.1472-1(c)(5) regarding the reporting required of a Sponsoring Entity acting on behalf of a Sponsored Direct Reporting NFFE.

Sponsored FFIs and Sponsored Direct Reporting NFFEs do not need to file Form 8966 if a Sponsoring Entity is reporting on its behalf.

- **Trustee-Documented Trust.** A trustee of a Trustee-Documented Trust reports on Form 8966 each U.S. account maintained by the trust as if the trustee maintained the account.

Special Rules for Certain Form 8966 Filers

- **U.S. withholding agents.** A U.S. withholding agent that is not an FFI and that makes a withholdable payment to a passive NFFE with a substantial U.S. owner or an ODFFI with a specified U.S. person owning certain equity or debt interests in the ODFFI must report such substantial U.S. owners or specified U.S. persons on Form 8966.

A U.S. payor (other than a U.S. branch) that is a PFFI or Reporting Model 2 FFI is not required to file Form 8966 to report an account if it reports payments to the account holder on Form 1099 to the extent specified in Regulations section 1.1471-4(d)(2)(iii)(A). With respect to an account held by a passive NFFE with a substantial U.S. owner or an account held by an FFI that the PFFI or Reporting Model 2 FFI has agreed to treat as an ODFFI, the PFFI or Reporting Model 2 FFI that elects reporting on Form 1099 must still file Form 8966 to report such accounts.

A withholding agent that is a U.S. payor reporting payments to U.S. individuals must report these payments on the appropriate Form 1099 to the extent required under chapter 61. Do not file Form 8966 to report these payments.

An FFI other than a PFFI, Reporting Model 2 FFI, or RDC FFI that is not required to file Form 8966 may still be required to report a payment under chapter 61.

Form 8966 is not used to report any tax withheld under chapter 4 to the IRS. A withholding agent may, in addition to Form 8966, also have to file Form 1042, Annual Withholding Tax Return for U.S. Source Income of Foreign Persons, and Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, to report any tax withheld under chapter 4. For further information, see Forms 1042, 1042-S, and their accompanying instructions.

- **PFFI electing chapter 61 reporting.** A PFFI that elects to perform chapter 61 reporting to satisfy its chapter 4 reporting requirements for certain accounts is not required to report on Form 8966 with respect to such an account that is held by a specified U.S. person. Instead, the PFFI shall report such account on Form 1099. See Regulations section 1.1471-4(d)(5). With respect to an account held by a passive NFFE with a substantial U.S. owner or an account held by an FFI that the PFFI or Reporting Model 2 FFI has agreed to treat as an owner-documented FFI, the PFFI or Reporting Model 2 FFI that elects reporting under chapter 61 must still file Form 8966 to report such accounts.
- **U.S. branch of a PFFI, Reporting Model 1 FFI, Reporting Model 2 FFI, RDC FFI, or Territory Financial Institution treated as a U.S. person.** A U.S. branch of a PFFI, Reporting Model 1 FFI, Reporting Model 2 FFI, RDC FFI, or a Territory Financial Institution treated as a U.S. person must file Form 8966 to report on its accounts or payees in the same manner as a withholding agent (see earlier). See Regulations sections 1.1471-1(b)(131), 1.1471-1(b)(135), 1.1471-4(d)(2)(ii)(B), and 1.1471-4(d)(2)(iii)(B).
- **U.S. branch of a Reporting Model 1 FFI (including any other RDC FFI) or Limited FFI that is not treated as a U.S. person.** A U.S. branch of a Reporting Model 1 FFI (including any other RDC FFI) or limited FFI that is not treated as a U.S. person reports on Form 8966 in the same manner as a withholding agent (see earlier). See Regulations section 1.1471-4(d)(2)(iii)(C).

When, How, and Where to File

When to file. Form 8966 is required to be filed for the 2014 calendar year on or before March 31, 2015. A Reporting Model 2 FFI must file Form 8966 on the same filing dates that apply to a PFFI, unless a different reporting date is specified in an applicable Model 2 IGA.

Extension of time to file. An automatic 90-day extension of time to file Form 8966 may be requested. For reporting with respect to calendar year 2014 only, an automatic 90-day extension of time to file Form 8966 will be provided to all filers (including those filing electronically), without the need to file any form or take any action. After calendar year 2014, to extend the Form 8966 filing deadline, an application for extension of time to file will be required. The form name and number of this application will be provided by the IRS at a later date. No extension of time to file is permitted for Forms 8966 filed

by a Reporting Model 2 FFI to report a non-consenting U.S. account or a non-consenting nonparticipating FFI. A Reporting Model 2 FFI should refer to the applicable Model 2 IGA for the due dates for those filings.

Under certain hardship conditions, the IRS may grant an additional 90-day extension to file Form 8966. See Regulations section 1.1471-4(d)(3)(vii). The IRS intends to provide additional future guidance regarding the procedures for extensions based on hardship, including where to send such requests.

Electronic filing requirement.

- An entity that is a financial institution is required to file Form 8966 electronically, irrespective of the number of Forms 8966 filed. All other entities that file 250 or more Forms 8966 for the calendar year are required to electronically file Form 8966. Information on how to request a waiver from the electronic filing requirement will be provided in future guidance.
- A PFFI (including a Reporting Model 2 FFI) and a RDC FFI are required to file Form 8966 electronically with the IRS.

How to file electronically. Those filing electronically should refer to Publication 5124, "Foreign Account Tax Compliance Act (FATCA) XML v1.1 User Guide," for instructions on how to populate the fields for the electronic Form 8966. Information on how to submit the Form 8966 electronically to the IRS will be provided in future guidance.

If you are required to file electronically but fail to do so, and you do not have an approved waiver on record, penalties under sections 6721 through 6724 may apply.

Where to file paper Form 8966. If you have received a waiver of the Form 8966 electronic filing requirement from the IRS or are not otherwise required to file Form 8966 electronically, you may send paper Form 8966 to the following address:

A Reporting FI under a Model 1 IGA or Model 2 IGA should also refer to definitions that may apply under that agreement or apply pursuant to any applicable domestic law pertaining to its FATCA obligations. Solely for purposes of filing this Form 8966, the following definitions are provided to help guide filers through the process.

Account/Financial account. An account or financial account means a financial account described in Regulations section 1.1471-5(b).

Account holder. An account holder is the person who holds a financial account, as determined under Regulations section 1.1471-5(a)(3).

A branch means a unit, business, or office of an FFI that is treated as a branch under the regulatory regime of a country or that is otherwise regulated under the laws of a country as separate from other offices, units, or branches of the FFI, and includes a disregarded entity of an FFI. A branch includes units, businesses, and offices of an FFI located in the country (or jurisdiction) in which the FFI is a resident as well as units, businesses, and offices of an FFI located in the country in which the FFI is created or organized. All units, businesses, or offices of a PFFI located in a single country (or jurisdiction), including all disregarded entities located in such single country (or jurisdiction), must be treated as a single branch.

Pooled reporting. For purposes of this form, an FFI is permitted to report recalcitrant accounts holders, non-consenting U.S. accounts, and certain nonparticipating FFIs on an aggregate basis in a reporting pool rather than report specific account holder information. Substantial U.S. owner. A substantial U.S. owner is a specified U.S. person described in Regulations section 1.1473-1(b). For purposes of filing this form, a Reporting Model 2 FFI reporting an account held by a passive NFFE should substitute the term “controlling person that is a specified U.S. person” for “substantial U.S. owner” and refer to the applicable Model 2 IGA for the definition of controlling U.S. person. Accounts and Withholdable Payments Required To Be Reported

Accounts to be reported. A PFFI, Reporting Model 2 FFI, or RDC FFI must file a separate Form 8966 annually for each account required to be reported, or for each group of accounts for which pooled reporting is permitted, in accordance with the FFI agreement and Regulations section 1.1471-4(d). Such an FFI must report with respect to accounts required to be reported that are maintained at any time during each calendar year. This includes accounts that are identified as (or presumed) U.S. accounts or accounts that are treated as held by a recalcitrant account holder or nonparticipating FFI by the end of such calendar year following a change in circumstances during such year or due to the expiration during such year of the time period provided in the applicable due diligence procedures for documenting the account holder. See Regulations section 1.1471-4(d)(2)(i) and (ii). Form 8966 reporting is required for the following accounts.

- U.S. Account maintained by a PFFI, Reporting Model 2 FFI, or RDC FFI, that is held by a specified U.S. person, and for each substantial U.S. owner (or, in the case of a Reporting Model 2 FFI, each controlling person that is a specified U.S. person) of a passive NFFE for which the FFI maintains an account. File a separate Form 8966 for each substantial U.S. owner (or controlling person) of a passive NFFE (as determined under the Regulations or an applicable Model 2 IGA) that is a specified U.S. person.

Note. See Regulations section 1.1471-5(b) for details on the types of accounts potentially subject to reporting, including depository accounts, custodial accounts, certain equity or debt interests in an investment entity or in certain other financial institutions or group members, and certain cash value insurance or annuity contracts. Exceptions are provided, including for individual deposit accounts with a balance or value less than \$50,000 (unless an election is made to forego the exception) and for certain retirement and other accounts. See Regulations sections 1.1471-5(a)(4) and 1.1471-5(b)(2). Also, see Regulations section 1.1471-5(a)(3) concerning who is considered the account holder where the listed holders are certain trusts or agents, or in the case of jointly held accounts.

- Account held by an ODDFI as defined in Regulations section 1.1471-5(f)(3). File a separate Form 8966 to report for each specified U.S. person that owns certain equity or debt interests in the ODDFI in accordance with Regulations sections 1.1471-3(d)(6)(iv)(A)(1) and (2), and 1.1471-4(d)(2)(iii)(D).

- Account maintained by a Trustee-Documented Trust that is a Nonreporting Model 2 FFI as defined in the applicable Model 2 IGA. The trustee files a Form 8966 to report each U.S. account (within the meaning of the Model 2 IGA) maintained by the Trustee-Documented Trust as if the trustee were the FFI that maintained the account.

- Account held by a Territory Financial Institution not treated as a U.S. person. File a separate Form 8966 with respect to each substantial U.S. owner of a passive NFFE for which the Territory Financial Institution acts as an intermediary and provides the PFFI or Reporting Model 2 FFI with the information and documentation required under Regulations section 1.1471-3(c)(3)(iii)(G). See Regulations section 1.1471-4(d)(2)(ii)(B)(2).

- Account held by a nonparticipating FFI. For calendar years 2015 and 2016, file a separate Form 8966 for each account maintained for a nonparticipating FFI (including a limited branch or limited FFI treated as a nonparticipating FFI) to report certain aggregate amounts. See later in these instructions for permitted pooled reporting for non-consenting nonparticipating FFIs, if specific payee reporting is prohibited under domestic law without account holder consent.

- Accounts for which Pooled Reporting is Permitted. Accounts held by the following persons may be reported on a Form 8966 by Pooled Reporting Type: recalcitrant account holders with U.S. indicia, recalcitrant account holders without U.S. indicia, recalcitrant account holders that are U.S. persons, recalcitrant account holders that are passive NFFEs, and recalcitrant account holders of dormant accounts. See Regulations section 1.1471-4(d)(6). A Reporting Model 2 FFI, under the terms of the Model 2 IGA, is required to report certain aggregate information regarding accounts it is required to treat as non-consenting U.S. accounts on Form 8966 in the manner described in Regulations section 1.1471-4(d)(6) (i.e., by Pooled Reporting Types). For calendar years 2015 and 2016, if specific payee reporting is prohibited under domestic law without account holder consent, a PFFI may report a pool of non-consenting nonparticipating FFIs on a single Form 8966. (See *Specific Instructions, Part V, Pooled Reporting Type*).

Account Information to be Reported. The following information is reported on Form 8966. For the 2014 and 2015 calendar years, see *Transitional Account Information Reporting Rules for 2014 and 2015*, later, to determine the information you are required to report for those calendar years. See *Specific Instructions*, later, to determine the information you are required to report based on your filing status.

- **Account held by specified U.S. persons.** Identification of the account holder (name, address, and U.S. TIN), account number, account balance or value, certain enumerated payments with respect to the account (described in *Part IV*), and such other information as may be required on Form 8966 or by these instructions. See Regulations section 1.1471-4(d)(3)(ii).

- **Account held by passive NFFE.** With respect to a passive NFFE, on a separate Form 8966 for each substantial U.S. owner, identification of the NFFE (name, address, and TIN, if any) and substantial U.S. owner (name, address, and U.S. TIN), account number, account balance or value, certain enumerated payments with respect to the account (described in *Part IV*), and such other information as may be required on Form 8966 or by these instructions. See Regulations section 1.1471-4(d)(3)(iii).

- **Account held by ODFFI.** With respect to an account held by an ODFFI, identification of the ODFFI and, with

respect to each specified U.S. person that owns certain equity or debt interests in the ODFFI in accordance with Regulations section 1.1471-3(d)(6)(iv)(A)(1) and (2), identification of the specified U.S. person (name, address, and TIN), account number, account balance or value, certain enumerated payments with respect to the account (described in *Part IV*), and such other information as may be required on Form 8966 or by these instructions. A separate Form 8966 must be filed for each such specified U.S. person. See Regulations sections 1.1471-3(d)(6)(iv)(A)(1) and (2), and 1.1471-4(d)(3)(iv)(B).

- **Account held by nonparticipating FFI.** For calendar years 2015 and 2016, with respect to a nonparticipating FFI receiving a payment of a foreign reportable amount, identification of the nonparticipating FFI (name, address, and TIN), account number and total payments of foreign reportable amounts made to the NPFFI (either divided by type of payment or as one amount as set forth in *Part IV, Lines 4a through 4d*). As an alternative to reporting foreign reportable amounts, the FFI may instead report all income, gross proceeds, and redemptions (regardless of source) paid to the nonparticipating FFI during the calendar year. If the FFI reports accounts held by nonparticipating FFIs in reporting pools, see *Accounts for which Pooled Reporting is Permitted*, report the total of all foreign reportable amounts or all income, gross proceeds, and redemptions (regardless of source) paid to accounts held by nonparticipating FFIs, and the aggregate number of accounts included in the pooled report. See *Part V*.

- **Accounts held by recalcitrant account holders.** Report the number of accounts included in the reporting pool and the aggregate account balance or value for such accounts.

Transitional Account Information Reporting Rules for 2014 and 2015

2014 calendar year. Report all the foregoing information, except for the enumerated payments made with respect to the account as described in Part IV, Line 4. The PFFI must report any account identified and documented as a U.S. account or an account held by an ODFFI or nonparticipating FFI as of December 31, 2014 if such account was outstanding on July 1, 2014. See Regulations section 1.1471-4(d)(7)(ii)(A) and (B). For purposes of determining the account balance or value, the account balance or value should be determined based on the entire 2014 calendar year.

2015 calendar year. Report all the foregoing information, including any enumerated payments made with respect to the account as described in Part IV, Lines 4a, 4b, and 4d, except certain gross proceeds described in Part IV, Line 4c. The PFFI must report any account identified and documented as a U.S. account or an account held by the ODFFI or nonparticipating FFI as of December 31, 2015 (or as of the date the account is closed if closed prior to December 31, 2015) if such account was outstanding at any time during calendar year 2015. See Regulations section 1.1471-4(d)(7)(ii)(B).

Withholding Agent Reporting

A withholding agent (other than an FFI reporting accounts maintained by such FFI under the account reporting rules

described earlier in *Accounts and Withholdable Payments Required To Be Reported*), files Form 8966 to report the following in connection with a withholdable payment.

- **Amounts paid to an ODFFI.** With respect to each ODFFI payee, on a separate Form 8966 for each specified U.S. person that owns certain equity or debt interests in the ODFFI in accordance with Regulations section 1.1471-3(d)(6)(iv)(A)(1) and (2), identification of the ODFFI and specified U.S. person (name, address, and TIN), total of all withholdable payments made to the ODFFI, account balance or value, and such other information as may be required on Form 8966 or by these instructions. See Regulations section 1.1474-1(i)(2).
- **Amounts paid to a passive NFFE.** With respect to a passive NFFE payee, on a separate Form 8966 for each specified U.S. person that is a substantial U.S. owner (or, in the case of a Reporting Model 2 FFI, controlling person), identification of the NFFE and each substantial U.S. owner (name, address, and TIN), total of all withholdable payments made to the NFFE, and such other information as may be required on Form 8966 or by these instructions. See Regulations section 1.1474-1(i)(1).

Special instructions for filers not specifically listed in chart. For purposes of applying the specific instructions (including this chart), a withholding agent includes a U.S. branch or Territory Financial Institution treated as a U.S. person. A Reporting Model 2 FFI files consistent with the requirements of a PFFI unless otherwise indicated. A Sponsoring Entity of a Sponsored FFI files under the requirements of a PFFI. A RDC FFI files under the requirements of a PFFI with respect to an account it is required to report as a condition of its deemed-compliant status. A trustee of a Trustee-Documented Trust files under the requirements of a PFFI. A Sponsoring Entity of a Sponsored Direct Reporting NFFE files under the requirements of a Direct Reporting NFFE. A limited branch or limited FFI, to the extent it is permitted to report, files under the requirements of a PFFI unless otherwise indicated. Entities filing consistent with a PFFI should substitute their chapter 4 status for PFFI where that term is used in the instructions, except as otherwise noted.

Transitional Reporting for Amounts Paid During 2014

A withholding agent described in this subsection of the instructions is only required to report for calendar year 2014 if it makes a withholdable payment on or after July 1, 2014 to a passive NFFE with a substantial U.S. owner or ODFFI with one or more specified U.S. persons owning certain equity or debt interests in the ODFFI. In such a case, the withholding agent is required to report for withholdable payments made on or after July 1 through December 31, 2014.

Specific Instructions

Before You Begin

There are five parts to Form 8966. A filer completes only the relevant parts of the form applicable for that filer, as set forth in the following chart.

Amount and character of payments. The amount and character of payments made with respect to an account may be determined under the same principles that the filer uses to report information on resident account holders to its domestic tax authority. Thus, the amount and character of items of income required to be reported need not be determined in accordance with U.S. federal tax principles. If any type of payment is not reported to domestic tax authorities, such amounts may be determined in the same manner as used for reporting to the account holder. Otherwise, reporting must either be in accordance with U.S. federal tax principles, or with any reasonable method consistent with the accounting principles applied by the PFFI. IRS consent is required to change such method, except that a change to rely on U.S. federal income tax principles is automatically permitted. See Regulations section 1.1471-4(d)(4)(iv)(E).

Currency translation. Account balance or value, and any reportable payment, may be reported in U.S. dollars

or in the currency in which the account or payment is denominated. In the case of an account, or payments denominated in multiple currencies, the filer may elect to report the account balance or value, or payments, in a currency in which the account or payments are denominated and is required to identify the currency, including the applicable currency code, in which the account is reported. See Regulations section 1.1471-4(d)(4)(iv)(B) and (F). If an account balance or payment is reported in U.S. dollars, the filer must calculate the amount in the manner described in Regulations section 1.1471-5(b)(4).

Rounding off to whole currency amounts. You may round fractional currency amounts up (or down) to the closest non-fractional (whole) currency amount. If the fractional currency amount is equal to or greater than half the value of the basic currency unit, round up to the next whole currency amount. If the fractional currency amount is less than half the value of the basic currency unit, round down to the next whole currency amount. If you choose to round currency amounts, you must round all currency amounts reported.

The following illustrates the application of this rule to U.S. dollar amounts. To round off amounts to the nearest whole dollar, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar. For example, \$1.39 becomes \$1 and \$2.50 becomes \$3. If you have to add two or more amounts to figure the amount to enter on a line, include cents (your fractional currency amount) when adding and only round off the total.

Correcting a previously filed Form 8966: Corrected, Amended, and Voided Reports. If you are filing Form 8966 to correct or amend a previously filed Form 8966, submit the corrected information on the Form 8966 applicable to the year of the initial reporting as follows:

Corrected report. If you are filing Form 8966 to correct information submitted to the IRS in a previously filed Form 8966 *in response to an IRS inquiry*, complete Form 8966 containing the corrected information as if it were the original Form 8966 for the year in question and check the box “Corrected report.” You do not need to include a Form 8966 marked “Voided report” with the corrected Form 8966.

If the Form 8966 that you are correcting was filed electronically with the IRS, then the corrected Form 8966 must also be filed electronically with the IRS. If the Form 8966 that you are correcting was filed in paper format with the IRS, then the corrected Form 8966 must also be filed in paper format with the IRS. Failure to follow this rule will result in your corrected Form 8966 not being processed by the IRS.

Amended report. If you are filing Form 8966 to correct a previously filed Form 8966 and you have not been contacted by the IRS, complete Form 8966 containing the corrected information as if it were the original Form 8966 and check the box “Amended report.” A Form 8966 marked “Voided report” must be filed with the amended Form 8966.

If the Form 8966 that you are amending was filed electronically with the IRS, then the amended Form 8966 and accompanying voided Form 8966 must be filed electronically with the IRS. If the Form 8966 that you are amending was filed in paper format with the IRS, then the amended Form 8966 and accompanying voided Form 8966 must be filed in paper format with the IRS. Failure to follow this rule will result in your amended Form 8966 not being processed by the IRS.

Voided report. A copy of the Form 8966 as originally filed with the IRS, updated by checking the “Voided report” box, must be filed along with the “Amended report” filing that shows the corrected version of the Form 8966.

Part I – Identification of Filer

Use *Part I* to provide identifying information about the Form 8966 filer. All filers must complete lines 1 through 3c. Filers provide information on lines 4 through 10 as required by the specific instructions for those lines.

Lines 1 through 3c. Enter the filer’s name and mailing address, including country and postal code. If the filer is a PFFI, provide the mailing address of the branch that maintains the account reported in *Part II*. If the filer’s post office does not deliver mail to a street address and the filer has a post office box, enter the filer’s post office box number instead of the filer’s street address.

A Direct Reporting NFFE must identify itself as the filer and provide its identifying information on lines 1 through 3c.

A Sponsoring Entity or trustee that has agreed to assume the reporting obligations of a Sponsored FFI, a Sponsored Direct Reporting NFFE, or Trustee-Documented Trust, as applicable, must identify itself as the Form 8966 filer and must provide its identifying information on lines 1 through 3c. Sponsored FFIs, Sponsored Direct Reporting NFFEs, and Trustee-Documented Trusts are identified on line 6.

Line 4. If the filer has been assigned a GIIN by the IRS, enter it on line 4. Use the GIIN of the branch of an FFI that maintains the account (if applicable). If the filer is a Direct Reporting NFFE, enter its GIIN, regardless of whether or not the account is maintained by a branch. A Sponsoring Entity or trustee filing Form 8966 on behalf of a Sponsored FFI, Sponsored Direct Reporting NFFE, or Trustee-Documented Trust, as applicable, should enter the Sponsoring Entity’s or trustee’s GIIN.

A Sponsoring Entity should enter its Sponsoring Entity GIIN, not the separate GIIN it receives when registering as a PFFI or RDC FFI. A trustee should enter the GIIN it receives when it registers to act as a trustee of a Trustee-Documented Trust, not a separate GIIN (if any) it receives when registering itself as a PFFI or RDC FFI.

Line 5. If the filer has been assigned a U.S. taxpayer identification number (TIN) by the IRS, enter it on line 5. A QI, WP, or WT enters on line 5 the employer identification number (EIN) that was issued by the IRS to be used by the QI, WP, or WT when acting in its capacity as such.

The filer is not required to obtain a TIN in order to file Form 8966 if the filer has not been issued a TIN.

Lines 6 through 10. Lines 6 through 10 only need to be completed if the filer is a Sponsoring Entity or a trustee of a Trustee-Documented Trust, or if the filer is making a payment to a Territory Financial Institution that is acting as an intermediary and is not treated as a U.S. person or to a certified deemed-compliant FFI that is acting as an intermediary and providing the filer with information on a substantial U.S. owner of a passive NFFE account holder or payee.

Enter the information required by lines 6 through 10 to report the indicated information relating only to one of the following:

- A Sponsored FFI on behalf of which a Sponsoring Entity is filing Form 8966.
- A Sponsored Direct Reporting NFFE on behalf of which a Sponsoring Entity is filing Form 8966.
- A Trustee-Documented Trust on behalf of which a trustee is filing Form 8966.
- A Territory Financial Institution not treated as a U.S. person that is acting as an intermediary and that receives a withholdable payment from the filer of Form 8966.
- A certified deemed-compliant FFI that is acting as an intermediary and providing the filer with information on a substantial U.S. owner of a passive NFFE account holder or payee.

Lines 6 through 8c. Follow the instructions for lines 1 through 3c to provide the information required by lines 6 through 8c. Enter the name and mailing address, including country and postal code, of the Sponsored FFI, Sponsored Direct Reporting NFFE, Trustee-Documented Trust, Territory Financial Institution, or a certified deemed-compliant FFI acting as an intermediary. If the post office does not deliver mail to a street address and the entity identified on line 6 has a post office box, enter the post office box number instead of the street address.

Line 9. If the entity reported on line 6 is a Sponsored FFI, Sponsored Direct Reporting NFFE, or a Trustee-Documented Trust, enter the sponsored entity or Trustee-Documented Trust's GIIN on line 9, if the entity has obtained a GIIN. If the entity reported on line 6 is a Territory Financial Institution or other intermediary, leave this line blank.

TIP A Sponsored FFI or Sponsored Direct Reporting NFFE is not required to have obtained a GIIN prior to January 1, 2016. If the Sponsored FFI or Sponsored Direct Reporting NFFE does not have a GIIN, leave this line blank.

CAUTION Do not enter the GIIN of the Sponsoring Entity or Trustee on line 9. That information is reported on line 4.

Line 10. If the entity shown on line 6 has been issued a TIN, enter the TIN on line 10. If the entity shown on line 6 is a Territory Financial Institution that has not been issued a TIN by the IRS, report the EIN assigned to the entity by the relevant U.S. territory.

Part II – Account Holder or Payee Information

See the chart at *Specific Instructions* and *Special instructions* for filers not specifically listed in chart, earlier, before you begin this part to determine whether you are required to complete *Part II*.

Jointly held accounts. If you are reporting a jointly held account in *Part II*, you must report each account holder that is a specified U.S. person on a separate Form 8966.

Lines 1 through 5. Account holder or payee information. Complete lines 1 through 5 as follows to report information with respect to:

- A U.S. account held by a specified U.S. person and maintained by a PFFI.

 1. Is an account holder of a PFFI, or
 2. Receives a withholdable payment from a withholding agent.
- An account held by a nonparticipating FFI that is not included in a reporting pool.

See specific instructions for *Direct Reporting NFFEs* and *Sponsored Direct Reporting NFFEs*, later, on how to complete *Part II*.

Line 1. Enter the name of the account holder or payee.

Lines 2 through 3c. Enter the account holder's or payee's residence address, including country and postal code, on lines 2 through 3c. If a residence address cannot be reported as required, report the address used for account or payee mailings by the FFI or withholding agent.

Line 3c. If you are reporting an address in the United States, enter only the 9 digit zip code (zip + 4) for that address.

Line 4. If the account holder or payee has been assigned a TIN, enter that number on line 4.

Line 5. Check the appropriate box on line 5 that describes the account holder or payee reported in *Part II*, *Line 1*.

TIP Do not check the *Direct Reporting NFFE* box except as permitted below.

Direct Reporting NFFEs and Sponsored Direct Reporting NFFEs. If you are a Direct Reporting NFFE or a Sponsoring Entity filing Form 8966 on behalf of a Sponsored Direct Reporting NFFE, do not enter any information in lines 1 through 4. Identifying information about the Direct Reporting NFFE or Sponsored Direct Reporting NFFE should be provided in *Part I* of the Form 8966. In line 5, check the *Direct Reporting NFFE* box.

Part III – Identifying Information of U.S. Owners That Are Specified U.S. Persons

See the chart at *Specific Instructions* and *Special instructions* for filers not specifically listed in chart, earlier,

before you begin this part to determine whether you are required to complete *Part III*.

Use *Part III* to report information about substantial U.S. owners of a passive NFFE, substantial U.S. owners of a Direct Reporting NFFE, substantial U.S. owners of a Sponsored Direct Reporting NFFE, and specified U.S. persons owning certain equity or debt interests in an ODFFI identified in *Part II, Line 1*. Complete lines 1 through 4 to report U.S. owner information as follows:

Line 1. Enter the U.S. owner's name.

Lines 2 through 3c. Enter the U.S. owner's residence address, including country and postal code, on lines 2 through 3c.

Line 4. Enter the social security number (SSN), individual taxpayer identification number (ITIN), or employer identification number (EIN) of the U.S. owner.

U.S. owners. *If you are a PFFI or withholding agent reporting substantial U.S. owners of a passive NFFE, or specified U.S. persons owning certain equity or debt interests in an ODFFI, you are required to file a separate Form 8966 to report information required in Part III for each such substantial U.S. owner or specified U.S. person. If you are a Direct Reporting NFFE or Sponsored Direct Reporting NFFE, you are required to file a separate Form 8966 to report each substantial U.S. owner.*

Part IV – Financial Information

See the chart at *Specific Instructions* and *Special instructions for filers not specifically listed in chart*, earlier, before you begin this part to determine whether you are required to complete *Part IV*.

Use *Part IV* to provide financial information about:

- An account maintained by a PFFI and held by a specified U.S. person, passive NFFE with substantial U.S. owners, ODFFI with specified U.S. persons holding certain equity or debt interests in the ODFFI, or a nonparticipating FFI reported on *Part II, Line 1*.
- A withholdable payment made to a passive NFFE with a substantial U.S. owner or an ODFFI with a specified U.S. person holding certain equity or debt interests in the ODFFI reported on *Part II, Line 1* by a withholding agent that is not a PFFI.
- The value of each substantial U.S. owner's equity interest in the Direct Reporting NFFE or the Sponsored Direct Reporting NFFE.
- The total of all payments made to each substantial U.S. owner of a Direct Reporting NFFE or a Sponsored Direct Reporting NFFE during the calendar year.

PFFI Filers

Enter the following information on lines 1 through 4d for each account required to be reported by a PFFI and held by a specified U.S. person, a passive NFFE or ODFFI with certain equity or debt interests held by more than one specified U.S. person, or a nonparticipating FFI.

Line 1. Enter the account number on line 1. The account number is the identifying number assigned by the PFFI for a purpose other than the filing of this form, or, if no such number is assigned to the account, a unique serial number or other number the PFFI assigns to the account for purposes of filing this form that distinguishes it from other accounts maintained by the PFFI. For example, the account number may be the account number of a custodial account or depository account, the code (ISIN or other) related to a debt or equity interest (if not held in a custody account), or the identification code of a cash value insurance contract or annuity contract. If the PFFI has no account numbering system, enter NANUM for no account number.

Line 2. If the amounts reported in lines 3 through 4d are not reported in U.S. dollars, enter the code for the currency in which the amounts are reported.

Line 3. Enter the average calendar year account balance or value if that amount is reported to the account holder. Otherwise, report the account balance or value as of the end of the calendar year. See Regulations section 1.1471-5(b)(4) for detailed rules for determining an account's balance or value.

Each holder of a jointly held account is attributed the entire balance or value of the joint account.

For reports filed for calendar year 2014, the payment information on lines 4a through 4d is not required. For reports filed for calendar year 2015, the payment information on line 4c is not required, but the information on lines 4a, 4b, and 4d must be provided. For reports filed for calendar years after 2015, all of the information on lines 4a through 4d must be provided.

For calendar years 2015 and 2016, with respect to a nonparticipating FFI receiving a payment of a foreign reportable amount, report the total payments of foreign reportable amounts made to the NPFFI either divided by type of payment on lines 4a through 4d, or as one amount entered on line 4d.

Line 4a. Enter the aggregate gross amount of interest paid or credited to the account being reported for the calendar year.

Line 4b. Enter the aggregate gross amount of dividends paid or credited with respect to an account being reported for the calendar year.

Line 4c. Enter the aggregate gross proceeds from the sale or redemption of property paid or credited to the account being reported for the calendar year.

Line 4d. Enter the aggregate gross amount of all income paid or credited to an account for the calendar year, reduced by interest, dividends, and gross proceeds reported on lines 4a through 4c. For accounts described in Regulations sections 1.1471-5(b)(1)(iii) (certain debt or equity interests) or 1.1471-5(b)(1)(iv) (certain cash value insurance contracts and annuity contracts), enter the aggregate gross amounts paid or credited to the account during the calendar year, including payments in redemption (in whole or part) of the account.

If an account is closed or transferred in its entirety by an account holder during a calendar year, report the amounts paid or credited to the account for the calendar year until the date of transfer or closure, and the amount or value withdrawn or transferred from the account in connection with the closure or transfer. See Regulations section 1.1471-4(d)(4)(iv)(D).

Withholding agents. A withholding agent that is not an FFI should enter the following information on lines 1 through 4d in connection with withholdable payments made to:

- An account maintained by the withholding agent and held by a passive NFFE with a substantial U.S. owner or an ODFFI with a specified U.S. person owning certain equity or debt interests in the ODFFI.
- A payment on an obligation made to a payee that the withholding agent treats as a passive NFFE with substantial U.S. owner(s) or an ODFFI with a specified U.S. person owning certain equity or debt interests in the ODFFI.

Line 1. If the payment is made to an account, enter the account number on line 1. If the payment is not made to an account maintained by the payor, enter NANUM for no account number.

Line 2. If the amounts reported in lines 3 through 4d are not reported in U.S. dollars, enter the code for the currency in which the amounts are reported.

Line 3. With respect to an account held by an ODFFI, enter the average calendar year account balance or value if that amount is reported to the account holder. Otherwise, report the account balance or value as of the end of the calendar year. See Regulations section 1.1471-5(b)(4) for detailed rules for determining an account's balance or value. If the account holder is a passive NFFE, do not enter any information on this line.

Line 4a. Enter the aggregate gross amount of interest paid (or credited to the payee's account) that is a withholdable payment for the calendar year.

Line 4b. Enter the aggregate gross amount of dividends paid (or credited to the payee's account) that is a withholdable payment for the calendar year.

Line 4c. Enter the aggregate gross proceeds paid (or credited to the payee's account) that is a withholdable payment for the calendar year.

Line 4d. Enter the aggregate gross amount of all income paid (or credited to the payee's account) that is a withholdable payment for the calendar year, reduced by interest, dividends, and gross proceeds reported on lines 4a through 4c.

Direct Reporting NFFEs and Sponsored Direct Reporting NFFEs

If you are a Direct Reporting NFFE or a Sponsoring Entity filing Form 8966 on behalf of a Sponsored Direct Reporting NFFE, complete lines 1 through 4d as follows:

Lines 1 and 2. Do not enter any information on lines 1 and 2.

Line 3. Enter the value of equity interest in the NFFE of the substantial U.S. owner identified in *Part III*.

Lines 4a through 4d. Enter the total of all payments made by the NFFE during the calendar year to the substantial U.S. owner identified in *Part III* (either divided by type of payment or as one amount on line 4d), including the gross amounts paid or credited to the substantial U.S. owner with respect to such owner's equity interest in the NFFE during the calendar year, which include payments in redemption or liquidation (in whole or part) of the substantial U.S. owner's equity interest in the NFFE.

Part V – Pooled Reporting Type

See the chart at *Specific Instructions and Special instructions for filers not specifically listed in chart*, earlier, before you begin this part to determine whether you are required to complete *Part V*.

If you are a PFFI, use *Part V* to report information about the accounts held by recalcitrant account holders (or, for Reporting Model 2 FFIs, non-consenting U.S. accounts) and nonparticipating FFIs you are reporting on a pooled basis. If you are required to report more than one type of pooled reporting accounts, file a separate Form 8966 for each type.

Direct Reporting NFFEs and Sponsored Direct Reporting NFFEs. Do not complete *Part V*.

Lines 1 through 5. Complete lines 1 through 5 as follows to report information about accounts for which pooled reporting is permitted. A PFFI is not required to complete line 3 for accounts held by recalcitrant account holders (or non-consenting U.S. accounts).

Line 1. Check the appropriate box for the applicable Pooled Reporting Type. See *Accounts and Withholdable Payments Required To Be Reported: Accounts for Which Pooled Reporting is Permitted* for the categories of pooled reporting accounts.

For calendar years 2015 and 2016, if a PFFI is prohibited under domestic law from reporting a nonparticipating FFI on a specific payee basis without consent from the nonparticipating FFI account holder and the PFFI has not been able to obtain such consent, the PFFI may report such accounts in a pool. See Regulations section 1.1471-4(d)(2)(ii)(F).

For pooled reporting of non-consenting U.S. accounts, report the type substituting "non-consenting U.S. account" for "recalcitrant account."

Line 2. Enter the total number of accounts reported in *Part V*.

Line 3. Only complete line 3 if you are reporting accounts held by nonparticipating FFIs.

For calendar years 2015 and 2016, if you are reporting accounts held by nonparticipating FFIs, enter the aggregate amount of foreign reportable amounts paid (or credited) to the accounts reported in

Part V. See the definition of foreign reportable amount, earlier. Instead of reporting foreign reportable amounts, you may report all income, gross proceeds, and redemptions (irrespective of source) paid to the accounts reported in Part V during the calendar year.

You are not required to complete line 3 for accounts held by recalcitrant account holders (or non-consenting U.S. accounts).

Line 4. Enter the aggregate balance of the accounts reported in *Part V*.
